

Reference List Stargardt Disease

Veterinary Genetics Laboratories

UC Davis Veterinary Genetics Laboratory (VGL)

- Their ABCA4/Stargardt test page
- Clear explanation of the mutation, inheritance, and what results mean
- Notes that Labrador-specific prevalence is unknown

<https://vgl.ucdavis.edu/>

Embark Veterinary

- Breed-relevant genetic insights
- Carrier/affected breakdowns (when available)
- Good for explaining autosomal recessive inheritance visually

<https://shop.embarkvet.com/products/embark-dog-dna-test-breeder-program>

Please add **New England Labrador Retrievers** in the please select the breeder below' section. This gives me credits towards my breeding test kits.

Please select your breeder below:

New England Labrador Retrievers

Canine Ophthalmology & Veterinary Organizations

These are great for readers who want to understand symptoms, diagnosis, and treatment options.

American College of Veterinary Ophthalmologists (ACVO)

- General retinal disease resources
- What to expect during an eye exam

<https://www.acvo.org/>

Veterinary Vision Centers / Board-Certified Ophthalmologists

- Many publish client-friendly guides on inherited retinal diseases
- Good for explaining ERG testing, retinal imaging, and prognosis

<https://www.vetvisioncenter.vet/>
